Mas less than during any year since the tide turned against us.

J. F. M., Columbia City, Ind.—By addressing the Commissioner of the General Land Office, Washington, D. C., you can ascertain the location of all public lands open to homestead entry. You can determine for yourself what is likely to suit you best, considering climate, character of soil, water supply, etc.

A. G. G.—That your claim for pension under the general law is designated in the Pension Bureau by the number of your pension certificate under the act of 1850 does not indicate that there is any mistake or misunderstanding as to your claim. This is the customary practice.

Mrs. M. J. Q., Harrisburg, Pa.—To ascertain whether the soldier ever made a homestead entry on public land would necessitate some information as to where he would have been likely to make such entry and through what local land office, Section 2307, Revised Statutes, provides, "In case of the death of any person who would be entitled to a homestead under the provisions of section 2307, Revised Statutes, provides, "In case of the death of any person who would be entitled to a homestead under the provisions of section 2304, his widow.
